Under Article 172 of the Mysore Service Regulations, Mr. K. N. Venkatakrishniah, B.A., Special Deputy Amildar, attached to the Krishnarajpete Taluk was granted privilege leave of absence for nine days with effect from 10th September 1918.

Circular dated 17*th May* 1919.

It has been brought to the notice of the undersigned in the course of his inspections of the Taluk Offices, that there is considerable delay in the disposal of gomal and kharab lands which have been sanctioned for cultivation on the ground that the formal Sub-Divisions could not be effected for want of qualified Mojinidars. With a view to avoid delay in this respect, the undermentioned instructions are issued for the guidance of all Revenue Officers concerned:—

(1) Where a portion of a survey number, gomal or kharab, is to be granted for cultivation, the portion applied for and to be granted, may be demarcated and a rough measurement of it made and the area determined by such measurement may be disposed of either by sale or otherwise according to the Darkhast Rules; an agreement being obtained from the purchaser that, in case any excess is found in actual measurement at the time of effecting the formal sub-division, the extra assessment due on such excess area from the date of the grant will be paid by him on intimation thereof being given to him. If sufficient care is taken with the rough measurement, the margin of error should not exceed 10 per cent of the actual extent.

(2) In no case should part of a survey number be sold or otherwise given out until it is properly demarcated by boundary marks.

(3) Action should be taken for having the formal sub-division of the area given out for cultivation effected as early as possible and for getting the assessment fixed and the village and the akarband corrected, without delay. Until this is done, temporary assessment at the prevailing rates in the locality should be recovered on the area as determined by rough measurement as stated in (1) above.

Revenue Commissioner.
